About Financial Reporting Advisory Services

The financial statements are the ultimate report card of fiscal performance. It enables owners and managers to pursue their business objectives, whether it is raising capital, acquisition, divesture or restructure. Therefore, every business activity will have an impact on the financial statements and therefore, needs to be carefully examined and analysed.

We at Grant Thornton, leverage our extensive experience to provide end-to-end solutions and support services relating to complex financial reporting requirements of dynamic businesses.

Our suite of services in FRAS includes:

GAAP conversion services

- perform end-to-end conversion from local GAAP¹ to International GAAP (IFRS², US GAAP³, etc.)
 - diagnostic review
 - identification and quantification of adjustments
 - support in accounting systems changes
- conversion from International GAAP to Indian GAAP for consolidation of Indian parent companies
- suggesting appropriate accounting policy choice where GAAP provides an option to choose between alternative accounting treatments
- prepare profit / equity reconciliation from local GAAP to International GAAP or vice versa

Consolidation services – Assistance in preparation of consolidated accounts [automated consolidation tool]

- preparation and alignment of group chart of accounts
- assistance in consolidation entries (FCTR⁴, acquisitions, etc.)
- assistance in inter-company eliminations
- customisation and implementation of the consolidation tool following the applicable GAAP for standalone and consolidated financial statements
- training and support on the consolidation process
- preparation of consolidated financial statements
- develop process and templates for collating information for GAAP reporting and MIS⁵

1. Generally Accepted Accounting Principles
2. International Financial Reporting Standards
3. Generally Accepted Accounting Principles in the United States of America
4. Foreign Currency Translation Reserve
5. Management Information System

About Financial Reporting Advisory Services

Transaction-based services

Strategic business initiatives such as capital raising, business acquisitions, divestures, etc., require special attention and have far reaching implications on accounting and reporting. FRAS can assist in proactively addressing these implications. Transaction-based services include:

a) Capital raising (IPO⁶ Assistance)

- assistance in the preparation of financial information (consolidated / combined / pro-forma / carve out) to be included in the offering circular
- assisting financial reporting teams to meet regulatory compliance on a quarterly and an annual basis

b) Business acquisitions

- review of share purchase agreement / asset purchase agreement to assess and address the impact on financial reporting, including financial statements for future periods
- purchase price allocation accounting and preparation of opening balance sheet including assistance in fair valuation
- assistance in consolidation and tax accounting – developing and aligning the accounting policies, chart of accounts and procedures manual for the acquired entity

c) Financial instruments and hedging

- review of draft investment agreement to address and assess the impact on financial reporting such as:
 - debt vs. equity classification
 - investment, asset and liability classification
 - assessment of derivatives and embedded derivatives
 - derecognition principle
 - assistance in impairment assessment
 - assistance with the applicable disclosures under AS⁷ 32 / IFRS 7 / IFRS 13 / Ind AS⁸ 107
- assistance in setting up the hedge accounting platform including establishing risk management policies, hedge documentation, and effectiveness testing templates and accounting entries

d) Share-based compensation plans

- review of draft stock compensation plans to address and assess the impact on financial reporting (such as impact of stock plans on the group, modification of stock awards, impact on EPS⁹, valuation for EPS disclosure – Intrinsic Value / Fair Value, etc.)
- advice on accounting for share-based transaction

6. Initial Public Offer
7. Accounting Standards
8. Indian Accounting Standards
9. Earnings Per Share

About Financial Reporting Advisory Services
