About Grant Thornton

Grant Thornton in India is a member firm of Grant Thornton International Ltd. It has over 4500 people across 15 locations around the country, including major metros. Grant Thornton in India is at the forefront of helping reshape the values in our profession and in the process help shape a more vibrant economy. We have built and invested in tools and developed strategies that allow our clients to gain invaluable insights into various aspects of doing business in India, build better perspective of overseas business and align global market position.

Our vision is to be the most recommended firm by our clients and by our people.

We have true global scale, deep technical capabilities and extensive industry expertise. But that does not make us different. It's how we work with you!

We pride ourselves on having top-class performance and high reputation. Responding to our client's increasing needs due to the globalisation of economics and market, we provide them with high quality services flexibly and quickly

Japan Services Group

Japan Services Group is a dedicated service function for our Japanese clients present in or aspiring to do business in India. Staying focused and providing best after care is our way to provide best in-class services to our clients.

Growing interest from Japanese companies to enhance trade with India, and from Indian companies to expand their global footprints, is set to create huge opportunities for growth and expansion for dynamic businesses.

Ultimately, we provide that vital link back to Japan, matching your needs with the capabilities of our global network. Our resources and strategies can allow you to gain invaluable insights into various aspects of doing business in India, build a better perspective of overseas business and align your global market position.
