

# Transforming digital processes

Oracle advisory and consulting services

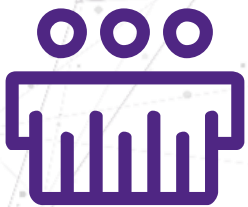

# Revolutionise processes with Oracle

It is crucial to leverage latest technologies and capitalise on processes, as digital applications become an integral part of organisations.

At Grant Thornton Bharat, we have the expertise that caters to all kinds of service requirements for a business, at any given point of the Oracle journey.

Rich experience of working on more than  
**300 Oracle client**  
engagements globally

Grant Thornton Bharat specialises in implementation and management of  
**Oracle Cloud ERP, EPM, HCM Cloud**  
and other solutions, including the Oracle E-business suite.

As a strategic partner, our services cater to the full Oracle lifecycle of a client's needs, including advisory, end to end implementation, ongoing support management, system and controls audit, etc. With our proprietary Oracle tools and accelerators, we add great value to customer engagements.
