

Digital Forensics and Incident Response

Expert Services

The Insurance Regulatory and Development Authority (IRDAI) circular dated 24 March 2025, mandates all regulated entities including insurance intermediaries to proactively empanel Cyber Incident Response and Digital Forensics experts. This ensures cyber incident preparedness and helps in establishing procedures to empanel forensic auditors in advance for conducting prompt investigations.

How Grant Thornton Bharat can help

Our team of seasoned professionals helps organisations comply with regulatory directives. We also share best practices to enable faster response and recovery from crisis.

Log management solutions

Ensuring ICT (Information & Communication Technology) logs are stored and monitored for 180 days, for guaranteed availability during crisis

Cyber crisis management planning

Developing and implementing CCMP (Cyber Crisis Management Plan) including cyber threat intelligence procedures, ensuring business preparedness and continuity

Forensic expertise

Empanel forensic experts on an immediate availability basis through a flexible ongoing engagement, ensuring swift mitigation of cyber incidents and matters requiring expertise in digital forensics

Conflict-free cybersecurity services

Providing SOC (Security Operations Centre) operations, attack, surface monitoring and Read Teaming without conflicts of interest thereby maintaining investigation integrity

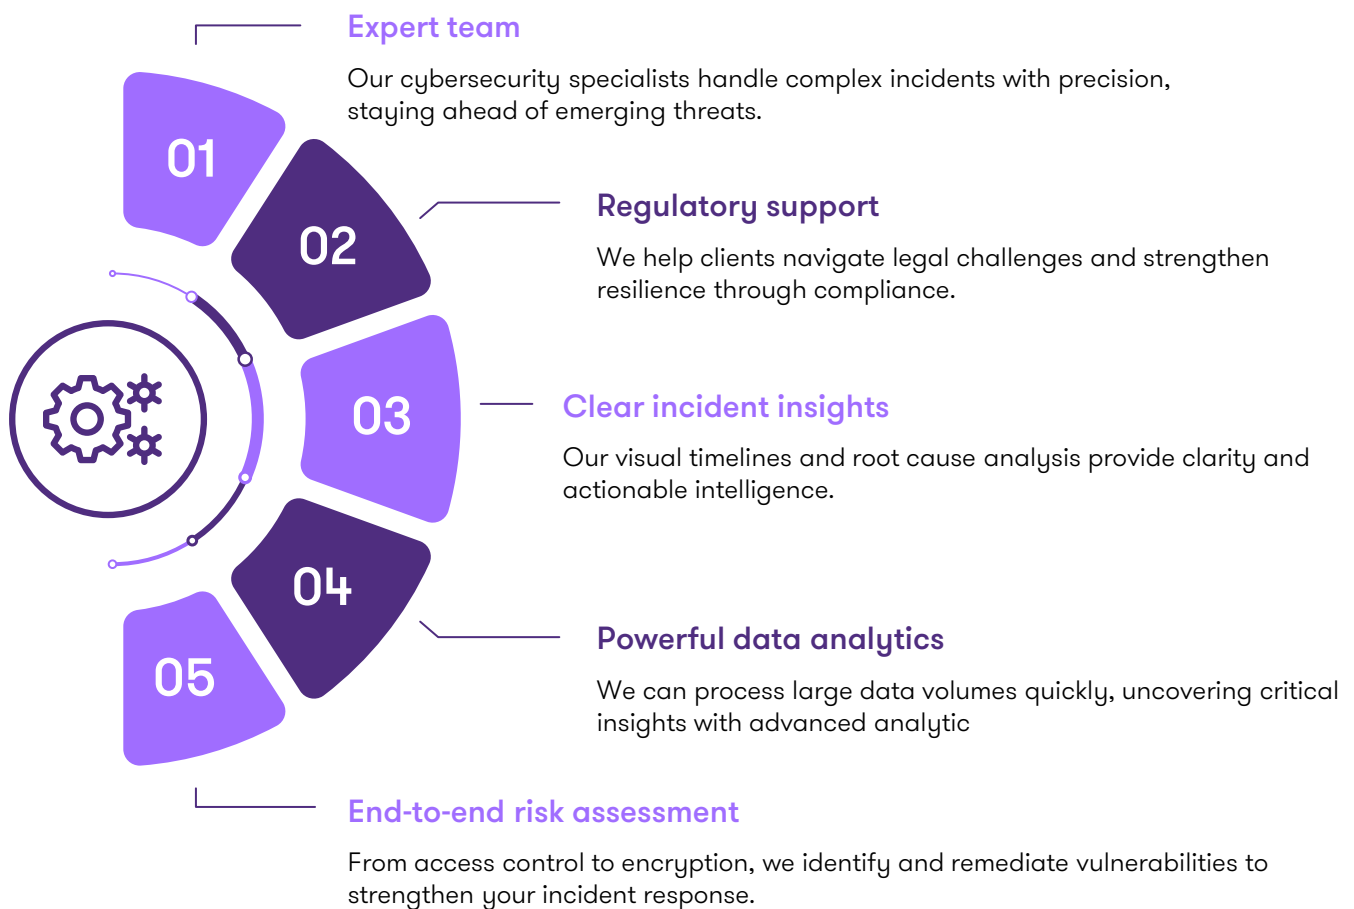

Training and awareness programmes

Conducting training sessions and supporting incident notification to regulators using global best practices for undertaking detailed investigations
